Albert,

Attached are 3 exports from our GeoPlatform GIS program. These are a bit rough and definitely draft.

They will be cleaned up for the final report. Let me know if this meets your immediate needs in the short term.

Thanks,

Subject: Maps

Stephen,

The US Ecology map shows all the zones.

The Mag Drums shows the mag drums as well as the Fort Floor 3 drums.

The Pit drums shows all the drums that were staged to the west near the admin buildings.

Let me know if this works.
